Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: the closest prior art reference of record is the patent to Caswell, as indicated in the previous action. However, Caswell does not teach or suggest the features of installing software on a selected one of a number of server computer systems, the method comprising:

- (a) retrieving a template which specifies one or more parameters specifying an aspect of the software and which includes placeholder data in place of all server specific data, wherein the placeholder data exists in program modules, configuration data files, or installation scripts; and
- (b) retrieving server-specific data for the selected server, wherein the template and server-specific data are retrieved from a service and package interdependency database that maintains relationships and associates various types of software with server-specific data.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to John Chavis whose telephone number is (703) 571-3720. The examiner can normally be reached on M-Tue & Th-F, 8:30-5:00.
